

[Your Organization's] Cyber Policies

Instructions for Use:

The following policy template should be used to develop or record your organization's cyber policies.

If your organization doesn't yet have cyber policies you can simply add your logo to CRI's template and use our policies as your own.

If your organization already has cyber policies that meet or exceed the CRI requirements use the following template to record them.

Passwords:

Policy Name	Policy Details

Software Updates:

Policy Name	Policy Details

Phishing:

Policy Name	Policy Details

Secure File Sharing:

Policy Name	Policy Details
